

Moultonborough Conservation Commission Meeting Minutes
Monday, August 1, 2016
7:00 pm
Moultonborough Town Hall

1. Attendees: Marie, Bob, Jim, Scott, Bill. Ed Harrington and Christina Ashjian as guests
2. Review Minutes from July 11, 2016, Meeting – Scott moved to approve the minutes, Bob seconded, and all approved.
3. Permits/Applications/Correspondence/Complaints
 - Of interest, a request for a permit from DES, by a private citizen, for removing native weeds was denied.
4. Membership
 - John Oliver will resign from the Conservation Commission and Brian will become a regular member.
 - Bob made a motion and Bill seconded it, to accept John Oliver's resignation with regret, welcoming him to attend future meetings.
 - Bill made motion and Bob seconded, to promote Brian from alternate to full-time member, pending select board approval process.
5. Budget
 - Community Garden – Reacting to a request for more oversight of the budget, the ConCom will arrange to review the budget and expenses on a periodic basis.
6. Lee's Pond Preserve
 - Fund raising – Pledges and checks continue to come in. Looking for sponsors.
 - There will be a LChip Site Visit on August 18'th at 1PM – Trail work is required before the event. Work sessions will be held as people are available.
 - There was a discussion about other sign requirements. Needs include easel size and bulletin board size.
7. NRI update
 - There was a brief discussion about the NRI meeting with FBE, to be held Wednesday, 8/3.
8. Moultonborough Bay Inlet Update
 - Scientist students from UNH did extensive water testing in Moultonborough Bay Sub-Watershed in July. Results should be available in a few months.

9. Septic System Improvement Initiative

- The town has been invited by Lake Winnepesaukee, to participate in a septic improvement initiative. The intent is to expand on the LRPC model for addressing aging and failing septic systems that was done in Waukegan, in 2015.
- The goal will be to find and fix failed septic systems within 250 feet of major water bodies. Financial help will be available to those without a design on file with the NH-DES.

10. The meeting adjourned at 8:20

11. The next ConCom meeting will be September 6, 2016, changed due to the Labor day holiday.
